

# Yam Jams / Music Service Survey

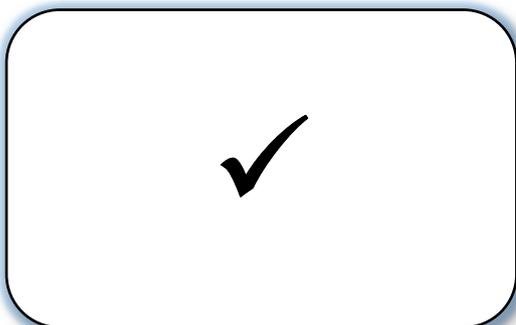

Yam Jams hasn't been able to run due to COVID. We need to decide what we do now that the Government is letting us do more things.

We want to find out about how you feel about music services in ECHO. Please complete our survey and send it back to us or give it to a member of ECHO staff.

You can ask a support worker, carer or family member to help you.

Most of the questions need a tick for yes or lots of ticks for all the things you like or agree with.

There are also some spaces for you to add your own thoughts or ideas.
