Fundraise for ECHO

As a charity, ECHO relies on fundraising to help us keep activities running for really vulnerable adults in Herefordshire.

This is why we ask that if you benefit from our services, know someone who does or just agree that people with disabilities should be given a real chance in life, that you help us raise the funds we need to develop and grow.

By giving a regular monthly donation you can help us continue our vital support to people with learning and other disabilities in Herefordshire. Regular monthly donations help us plan because we know what income to expect month in and month out.

If you would like to support our work by giving a regular donation, you can either:

A
Professional
Arts Project
and Textile Shop

“We visited Hereford Resource Centre and looked at the old costumes. This dress is made from zips, men’s ties and crisp packets.”

RTR encourages all participants to be confident in their own artistic ability. We work together on group exhibitions and personal pieces.

Examples of what we cover:

- Art history and research
- Stitching and embroidery
- Machine sewing
- Painting and drawing
- Performance
- Knitting and crochet
- Clothes up cycling

Rose Tinted Rags is a collaboration between ECHO and The Green Eyed Monster Company.

It is a professional, creative arts project and vintage textile shop. The project has a wealth of resources to work with, most of which are donated to the shop.

Rose Tinted Rags is stocked by donations only and is an Aladdin’s cave full of historical and contemporary sewing resources. It sells vintage and modern fabrics, haberdashery, patterns, wool, clothing, books and rare finds.

What happens at RTR:

We have small and personal groups where everyone is supportive of each other and we have lots of fun. We play and experiment with new ideas.

There are visits to art galleries and museums for ideas and inspiration and we hold professional exhibitions in museums, galleries and National Trust buildings.

We encourage and support healthy eating and lifestyle choices and the project encourages independence, raising self esteem and respect for others.
