

About ECHO

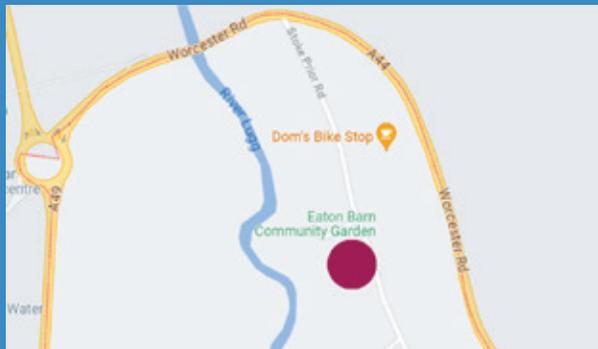

ECHO is the largest provider of innovative day opportunities for people with learning and other disabilities in Herefordshire.

We believe that, with the right support, each person can achieve great things. ECHO concentrates on what people can do, rather than what they cannot.

The Priory Centre is suitable for people with moderate to severe learning difficulties, including higher care needs. We specialise in differing communication methods, using signing and symbols where appropriate. We deliver sensory stories/activities as part of our projects.

Fundraise for ECHO

As a charity, ECHO relies on fundraising to help us keep activities running for really vulnerable adults in Herefordshire.

This is why we ask that if you benefit from our services, know someone who does or just agree that people with disabilities should be given a real chance in life, that you help us raise the funds we need to develop and grow.

By giving a regular monthly donation you can help us continue our vital support to people with learning and other disabilities in Herefordshire. Regular monthly donations help us plan because we know what income to expect month in and month out.

If you would like to support our work by giving a regular donation, you can either:

The Priory Centre

Promoting independence with Person Centred Approaches

Alan & Ian

“Staff give me the time and tools to be understood using signing and symbols which enables me to make choices”

Individuals are encouraged to:

- Develop a range of daily living and life skills
- Be part of the Leominster community
- Help tend the courtyard garden
- Develop their communication skills

“Staff give me time and safe space when I feel overwhelmed, they support me to calm myself down and refocus when I am ready”

Oliwia

The Priory Centre takes an active role in the local community and works with other groups such as Leominster in Bloom and Leominster Food Share.

We communicate through sensory stories and have themed projects throughout the year which includes the use of our arts and crafts materials.

“I enjoy using the materials that are here and I am not judged on how well my piece turns out. I just love the tactile nature of what I create”
